***Please direct any and all questions to the City of St. Charles Building & Code Enforcement Division: Monday through Friday (8 AM to 4:30 PM) at 630.377.4406***

A building permit is required prior to any construction or alteration in your kitchen. The following are guidelines and comments for obtaining a building permit.

### Application and Drawings Procedures:

- ▶ An application is to be filled out and submitted to the Building & Code Enforcement Division. The contractors names, addresses, phone numbers and, if required, their license numbers are to be filled out when submitting the application.
- ▶ Two (2) sets of drawings showing the construction details for the remodel in your kitchen are to be submitted with the application.
- ▶ If there is any plumbing being done on your project, the work may be done by the owner and occupant. Should anyone other than the owner and occupant do the plumbing, it must be done by an Illinois licensed plumber. The person or company is to provide a letter of intent, on their letterhead, indicating they are conducting the work for this project. Along with the letter of intent, please provide copies of their Illinois State Plumbing License and Illinois State Contractor License.
- ▶ Our goal is to complete the review for your building permit within 10 working days.

### Application – Permit Fees: *(All payments are to be made either in the form of cash, check, or money order)*

⇒ A filing fee is to be paid at time of submission of application and plans.

A submittal fee of **\$125.00 (to be paid at time of submittal)**

Additional fees for your permit to be paid at the time the permit is approved and ready to be obtained.

Alteration is based upon estimated cost:

\$4,001 to \$24,000 at \$6.60 each/1,000

\$24,001 on at \$3 each 1,000

⇒ **Re-inspection fee.** During the construction of your project should you fail any of the required inspections there is a re-inspection charge. The fees are due prior to certificate of occupancy. The fee schedule is as follows;

- \$65.00 per Building & Code Enforcement Division re-inspection for all types of inspections during construction (excluding finals)
- \$85.00 per re-inspection for all residential final inspections.

⇒ **Temporary certificate of occupancies.** \$85.00 is due prior to issuance of a temporary certificate of occupancy for residential.

### Consultation Meeting:

The Building and Code Enforcement Division offers a consultation meeting where you will meet with City staff and discuss any questions or issues on your construction project. The meeting may be for a proposed project or a project that is currently under construction and can be held at the site location or in our office. To schedule this meeting, please contact our office at 630.377.4406.

## **Inspections:**

The following is a list of inspections, which might be required for your project.

- Framing
- Electric
- Underground Plumbing
- Rough Plumbing
- HVAC
- Insulation
- Final

## **Overtime Inspections:**

The Building & Code Enforcement Division Manager or his designee may approve requests for overtime inspections for unique circumstances. The charge for an overtime inspection will be a separate charge and will be invoiced to the individual contractor or company who requested the overtime inspection.
